

Sappi Apprenticeships 2024 / 2025

Sappi is inviting unemployed youth to apply for Apprenticeship Programme 2024 / 2025.

Apprenticeship Application Closing Date: 06 November 2024

Location: **Barberton, Mpumalanga, South Africa**

Sappi is offering an exciting career in engineering through our Apprentice training programme. Dynamic, self-motivated individuals with the right technical ability are given institutional and work based training in order to qualify as an artisan after 4 years.

We offer a fixed-term contract with a competitive apprentice wage for the duration of the assignment.

We provide:

- Accredited training for all the elements needed to qualify as an artisan.
- Workplace experiential training under supervision of engineering foremen and qualified artisans.
- Other training needed to prepare you for the workplace.
- Trade test preparation and trade test examination required to qualify as an artisan.

The ideal candidate should have:

- National Senior Certificate (Matric/Grade 12), preferably with Mathematics and Science.
- Minimum of four N1 engineering subjects.
