## About Surgo Mining

Surgo Mining is not just another mining company; it's a beacon of empowerment and community development. Committed to safety and inclusivity, we actively hire from local communities, including women, and provide skill transfer programs to help employees achieve their full potential.

## Why Choose Surgo Mining?

- **Empowerment:** We are dedicated to fostering opportunities and growth.
- **Inclusion:** We employ skilled, semi-skilled, and novice workers, with a special focus on gender equality.
- **Safety:** Our strong safety record boasts only one lost time injury per year from 2019 to 2023.
