

# GIBB Bursary Programme

GIBB Bursary Programme 2025

Deadline: 29 November 2024

Location: South Africa

## About GIBB Bursary

GIBB is currently accepting applications for 2025 academic year bursaries.

Bursaries will be awarded for undergraduate and postgraduate studies, within the following fields:

- Civil Engineering
- Electrical Engineering
- Electronical Engineering

GIBB is seeking young talented students, who have potential to become experts in the industry.

The bursary will cover the following expenses: tuition fees, books, travel costs and accommodation, where applicable.

Students will also have the opportunity to partake in vacation work, and complete practical training, as required by the university.

After graduation, bursary recipients will be required to take up employment at any GIBB office in South Africa.

Bursaries are renewable each year based on the students academic results, which should remain above 60% average.

## ELIGIBILITY REQUIREMENTS

Applicants must satisfy the following minimum entry criteria before applying:

- You must be a South African citizen
- You must have completed Matric
- You must be studying full-time towards a Degree within one of the Engineering fields listed above
- You must be entering your 2nd or higher year of undergraduate study, OR Honours / Masters, in 2025

- You must specialise within the following disciplines: Civil Engineering: Water and Infrastructure, Rail and Roads or Electrical and Electronical Engineering: Rail, Signalling and Telecommunication
- You must be studying at any recognised university in South Africa
