

# Hillary Construction Bursaries 2025

## Bursary Application Closing Date: 30 November 2024

Make sure to submit your application by the deadline to be considered for this amazing opportunity!

## Fields of Study Eligible for the Bursary

The Hillary Construction Bursary is available for students studying in the following fields:

- **Civil Engineering**
- **Quantity Surveying**
- **Surveying**

If you are currently enrolled in one of these fields, this bursary could help you fund your education and gain practical experience through a Learnership.

## What Does the Hillary Construction Bursary Cover?

The bursary will provide financial support for the following expenses:

- **Registration Fees**
- **Tuition Fees**
- **Exam Fees**
- **Monthly Allowance** for accommodation, food, and travel expenses
- **Study-related Equipment**, subject to request

## Learnership Opportunity (Gap Year)

In addition to the bursary, successful applicants will be offered a **Learnership in Road Construction** for **1 year** during their gap year. This valuable opportunity will give you hands-on experience in the construction industry, which will be considered when assessing funding for the following year.

## Selection Process

Shortlisted candidates will be contacted via phone or email and invited to attend an **interview** and **psychometric testing** at the Hillary Construction Head Office in **Polokwane**. If you do not receive any feedback, please consider your application unsuccessful.

## Eligibility Criteria

To apply for the **Hillary Construction Bursary Programme**, you must meet the following criteria:

- **South African Citizen or Permanent Resident:** You must be a South African citizen or a permanent resident.
- **Matric Completion:** You must have completed Matric with an exemption certificate.
- **Current Studies:** You must be studying towards a **National Diploma or Degree** in one of the eligible fields (Civil Engineering, Quantity Surveying, Surveying).
- **Accredited Institution:** You must be enrolled at a recognized and accredited **University or University of Technology** in South Africa.
- **Matric Results:**
  - University students must have achieved a minimum **C symbol** for **Mathematics and Science** in Matric.
  - University of Technology students must have achieved a minimum **D symbol** for **Mathematics and Science** in Matric.
- **Current Academic Performance:** You must have achieved a minimum **65% overall average** in your current studies.

## How to Apply for the Hillary Construction Bursary

To apply, follow these steps:

1. **Email your application** to: [hr@hillary.co.za](mailto:hr@hillary.co.za).
  - In the **subject line** of the email, write: **“Hillary Construction Bursary 2025”**.
2. **Attach the following supporting documents:**
  - A **full tertiary academic record** (on your institution’s letterhead).
  - A **full Curriculum Vitae (CV)**.

Note: If you meet all the criteria, Hillary Construction will send you the official application form to complete.

## Important Information

- **Closing Date:** The bursary application closes on **30 November 2024**. Late applications will **not** be considered, so make sure to submit your application on time.
- **Shortlisting:** Only shortlisted candidates will be contacted for further steps in the selection process.
