

# Clover Bursary Programme 2025

Clover Bursary Programme 2025

Deadline: 06 January 2025

Location: South Africa

## About Clover Bursary

Clover South Africa is accepting applications for 2025 academic year bursaries.

Bursaries will be awarded to 5 students, for studies within STEM ( Science, Technology, Engineering, Mathematics) fields, including the following fields:

- Biology
- Chemistry
- Engineering
- Mathematics
- Physics
- Sciences (BSc Food Science, Microbiology)

This bursary hopes to find top achievers to join Clover's family and become part of an organization that was voted the Most Reputable Company for 3 years in a row. Clover will help the candidate by providing financial assistance towards their tertiary studies and ultimately integrate them into its fast growing organization.

Students will also have the opportunity to partake in vacation work.

After graduation, bursary recipients will be required to complete a work-back period at the company.

## ELIGIBILITY REQUIREMENTS

Applicants must satisfy the following minimum entry criteria before applying:

- You must be currently in Matric (in 2024) or have completed Matric
- You must be studying or intend on studying towards an undergraduate qualification within one of the fields of study listed above
- You must be studying or accepted to study at a recognised and accredited tertiary institution in South Africa
- You must have achieved a minimum overall average of 65% in Matric

- You must have achieved a minimum overall average of 65% in your previous academic year's final exam, if currently studying
- You must have a strong academic record, with above average grades in your chosen field
- You must be fluent in English (written, oral and reading)
- You must be willing to enter a funding agreement
- You must be willing to partake in vacation work at a Clover site
- You must be mobile and willing/ able to relocate for your work-back period
- You must be self-motivated, goal-driven and hardworking
- You must be open-minded and willing to learn
- You must be a team player
- You must wish to pursue a career in a fast-growing organisation
