

# Kreativstorm Internships (Work from home)

Kreativstorm Internships (Work from home)

Deadline: Ongoing / Not specified

Location: Durban, South Africa

## Kreativstorm Internships

Kreativstorm is accepting applications for Graphic design Internship programme.

Unleash your creativity with a unique internship opportunity offered by Kreativstorm, a dynamic and innovative management-consulting firm based in Berlin, Germany. Work remotely with our multinational team and launch your career in graphic design!

If you're passionate about design and have a keen eye for detail, this internship is perfect for you. Under the guidance of seasoned professionals, you'll work on diverse design projects, exploring concepts like branding, digital media, illustration, and layout design. Gain hands-on experience in creating compelling visuals, all from the comfort of your home.

### Internship Overview and Details:

- **Location:** Fully Remote
- **Schedule:** Part-Time Internship
- **Duration:** 3 months with the possibility of permanent employment after the internship period

### Ideal Candidates:

- Students pursuing a degree or recent graduates in Graphic Design, Visual Arts, or a related field.
- Aspiring graphic designers with a strong portfolio showcasing their design skills.
- Creative thinkers who enjoy crafting visually appealing and impactful designs.
- Effective communicators who thrive in collaborative team environments.
- Detail-oriented individuals excelling in fast-paced, creative settings.
- Enthusiastic learners dedicated to refining their design skills.
- Proficiency in design software such as Adobe Creative Suite (e.g., Photoshop, Illustrator, InDesign) is highly valued.
- Familiarity with web design principles and digital media advantageous.
- Some initial industry experience is a big plus.

### Your Contribution:

- Contribute to graphic design projects, creating visuals for digital and print media.

- Collaborate with the design team to develop branding and marketing materials.
- Assist in creating engaging illustrations and layouts for various platforms.
- Bring fresh perspectives and innovative solutions to design challenges.
- Foster a collaborative team environment focused on excellence in graphic design.
- Support in documenting and presenting design concepts and solutions.
