

# FlyFofa Bursary Programme 2025

FlyFofa Bursary Programme 2025

Deadline: 26 January 2025

Location: South Africa

## About FlyFofa Bursary

FlyFofa is currently accepting applications for 2025 academic year bursaries.

FlyFofa Aviation Training, in partnership with the National Skills Fund and the Department of Higher Education and Training, is excited to announce full-funded bursaries for Gauteng youth interested in pursuing careers in aviation.

The bursaries cover accommodation and a monthly stipend for the following programs:

- Advanced Pilot Training
- Cabin Crew Training
- Drone Pilot Certificate
- Private Pilot License to Commercial Pilot License

### Advanced Pilot Training

- **Duration:** 24 months (full-time training)
- **Application Code:** PHB300

This program includes hour building for 300 hours to increase the total flying hours of commercial pilot students, enhancing their employment opportunities in the aviation sector.

### Entry Requirements:

- South African citizen
- Age: not older than 25 years
- Residing in Gauteng Province
- Valid Commercial Pilot License
- Valid Medical Certificate

### Cabin Crew Training

- **Duration:** 12 weeks (full-time training)
- **Application Code:** BCCT2025

Training includes theoretical, practical, and examination preparation to obtain a Cabin Crew License, allowing employment with local and international airlines.

### **Entry Requirements:**

- South African citizen
- Age: 18 to 23 years
- Residing in Gauteng Province
- Completed Grade 12
- Level 5 in English (and willing to undergo an Aviation Medical Examination)
- Minimum height of 1.6m

### **Drone Pilot Certificate**

- **Duration:** 12 weeks (full-time training)
- **Application Code:** RPAS2025

Comprehensive training covering drone regulations, safe flying practices, and hands-on experience to earn a Remote Pilot Certificate.

### **Entry Requirements:**

- South African citizen
- Age: 18 to 23 years
- Residing in Gauteng Province
- Completed Grade 12
- Level 5 in English, Level 4 in Mathematics/Mathematical Literacy
- Aviation Medical Examination

### **Private Pilot License to Commercial Pilot License**

- **Duration:** 24 months (full-time training)
- **Application Code:** PPL2025

Training includes obtaining a Private Pilot License, Night Rating, Hour Building, Instrument Rating, and Commercial Pilot License.

### **Entry Requirements:**

- South African citizen
- Age: 17 to 23 years
- Residing in Gauteng Province
- Completed Grade 12
- Level 5 in English and Mathematics (Physical Science is advantageous)
- Class II Aviation Medical eligibility
