

# GeoSUN Bursary 2025 for South Africans

GeoSUN Bursary 2025 for South Africans

Deadline: 19 January 2025

Location: South Africa

## About GeoSUN Bursary

GeoSUN is accepting applications for 2025 academic year bursaries.

GeoSUN is a Stellenbosch-based company launched in 2012, originating from the University of Stellenbosch. The company specializes in providing a range of services and products for large-scale solar and wind projects across various African countries and beyond.

Its clientele includes developers, owners, and operators of such energy projects.

### Bursary Benefits

The GeoSUN Bursary will cover the following expenses:

- Tuition Fees
- Registration Fees
- Books
- Total funding up to R 40,000

Note: The bursary does not cover accommodation, living allowances, or food.

### Eligibility Criteria

Applicants must meet the following minimum entry criteria to be considered:

- Must be a South African citizen.
- Currently studying towards a Bachelor of Engineering Technology (BEng Tech) in one of the following disciplines: Electrical Engineering, Electronic Engineering and Mechatronic Engineering.
- Must have completed/passed the modules of the first two years of study.
- Will be in the final year of study in 2025, with the aim to graduate by the end of 2025.
- Must be enrolled in a recognized and accredited university of technology in South Africa (e.g., CPUT, CUT, NMU, TUT, etc.).
- There are no requirements regarding employment equity/race.

When applying, you must include the following mandatory documents:

- Updated CV (Curriculum Vitae) with a head-shot photo.
- Matric results.
- Copy of your ID.
- Academic results from your first two years of study.
- Any additional academic results (if applicable, e.g., from other qualifications).

## How to apply

To apply, [visit GeoSUN bursaries portal](#).

Upon GeoSUN's discretion, successful applicants may be offered a position as a junior technician at GeoSUN after completing their studies. Candidates are required to work for GeoSUN at their Stellenbosch offices for a minimum of 1 year at an industry-related salary.
