

TFG Data Science and Leadership Fellowship Bursaries 2026

TFG Data Science and Leadership Fellowship Bursaries 2026

Deadline: 30 September 2025

Location: South Africa

TFG Data Science and Leadership Fellowship Bursaries

The TFG Fellowship is aimed at postgraduate students pursuing research or coursework-based Master's Degrees in Data Science or related fields. The programme seeks to develop a new generation of data specialists equipped with the technical and leadership skills to drive innovation and transformation in South Africa.

TFG believes in the power of big data to solve the country's biggest challenges and make better, informed decisions. Through this initiative, TFG aims to build a strong pipeline of skilled data science professionals for the business and the country at large.

The TFG Data Science and Leadership Fellowship will cover:

- Full tuition fees
- Living allowance
- Meal allowance
- Study equipment
- Participation in a TFG event at the company's Head Office in Cape Town

Eligibility Requirements

Applicants must meet the following minimum criteria:

- Must be a South African citizen
- Must be studying or accepted to study a Masters Degree in Data Science or a related field
- Must be entering the 1st or 2nd year of Masters studies in 2026
- Must be enrolled or accepted at a recognised South African public university
- Must demonstrate:
 - Academic excellence
 - Creativity and innovation
 - Strong leadership potential
- Preference will be given to applicants from designated groups
